

# Program BESEV 2026

## 30th of January

Annual meeting of the Belgian Society of Extracellular vesicles  
Organized by ULB-VUB: Erasme Campus – Elisabeth Wollast Auditorium – building W  
Route de Lennik – 1070 Anderlecht <https://maps.app.goo.gl/6Hz38BtG2mBUAEi6>

9:25

**Registration desk open**

9:55

**Official Welcome**

**Session 1** Chair:

### Keynote Speakers

#### **Hector Peinado**

10:00 *Centro Nacional De Biotecnología,  
Consejo Superior De Investigaciones  
Científicas  
Madrid , Spain*

**The influence of extracellular vesicles on tumor evolution  
and metastasis**

#### **Kenneth Verboven**

10:45 *Laboratory for integrative exercise  
physiology  
Hasselt, Belgium*

**Adipose tissue-derived extracellular vesicles: mediators  
of interorgan crosstalk in metabolic diseases**

11:10

**Coffee break**

**Session 2** Chair:

### Selected 7min Abstract pitch

11:30

**Selected abstract n°1**

**Title 7min + 3min question**

11:40

**Selected abstract n°2**

**Title 7min + 3min question**

11:50

**Selected abstract n°3**

**Title 7min + 3min question**

12:00

**Selected abstract n°4**

**Title 7min + 3min question**

12:10

**Selected abstract n°5**

**Title 7min + 3min question**

12:20

**Selected abstract n°6**

**Title 7min + 3min question**

12:30

**Lunch et poster session**

## Session 3 Chair:

### Selected Abstract

14:00	<b>Selected abstract n°1</b>	<b>title12min + 3min question</b>
14:15	<b>Selected abstract n°2</b>	<b>title12min + 3min question</b>
14:30	<b>Selected abstract n°3</b>	<b>title12min + 3min question</b>
14:45	<b>Selected abstract n°4</b>	<b>title12min + 3min question</b>

### Sponsor session

15:00	<b>Sponsor n°1</b>
15:10	<b>Sponsor n°2</b>
15:20	<b>Sponsor n°3</b>
15:30	<b>Sponsor n°4</b>

### Coffee break

## Session 4 Chair:

### Keynote Speakers

<b>Christian Neri</b> 16:00 <i>Institute of Biology Paris-Seine, Paris, France</i>	<b>Role of small extracellular vesicles secreted by neural cells and cortical neurons in Huntington's disease</b>
<b>Andy Chevigné</b> 16:45 <i>Luxembourg Institute of Health, Luxembourg</i>	<b>Chemokine and opioid peptide scavenging through release of ACKR3-bearing extracellular vesicles</b>

### Meet the JEV Editor in Chief session

17:10	<b>Pascale Zimmerman</b> <i>Editor in Chief of the JEV</i> KULeuven, Leuven	<b>Why publish in Scientific Society Journals?</b>
17:15	<b>Closing remarks and awards</b>	
17:30	<b>Reception</b>
