

Program BESEV2022

12th of September

8:30 Registration desk open

9:00 Official welcome

SESSION 1: Cell-cell communication, drug delivery, EV engineering

9:15 **Pieter Vader:** Extracellular Vesicle-mediated RNA Delivery: from Mechanistic Insights towards Therapeutic Applications

10:00 **Selected abstract presentation 1**

10:15 **Selected abstract presentation 2**

10:30 *Coffee break*

11:00 **Pitch 1**

11:05 **Pitch 2**

11:10 **Pitch 3**

11:15 **Selected abstract presentation 3**

11:30 **Sponsor talk: Izon**

11:40 **Sponsor talk: NanoFCM**

11:50 **Sponsor talk: Distrilab**

12:00 *Lunch and poster session*

SESSION 2: Biomarker discovery and assay development

13:30 **Edit Buzás:** The extracellular vesicle biomolecular corona

14:15 **Pitch 4**

14:20 **Pitch 5**

14:25 **Pitch 6**

14:30 **Selected abstract presentation 4**

14:45 *Coffee break*

15:15 **Selected abstract presentation 5**

15:30 **Selected abstract presentation 6**

15:45 **Selected abstract presentation 7**

16:00 **Closing remarks**

16:30 **Reception**
